Notes

- A) Delivery charges are based on port to port.
- B) Mileage is billed for all trucks and trailers.
- C) Fuel billed at going rate +15%
- D) Propane billed at going rate +15%
- E) "Per Day" rates are based on an 8 hour shift (e.g., equipment used for 24 hours straight is billed at 3 times the "Per Day" rate).
- F) Work days that last more than 8 hours are billed on a per day rate, with each fraction of a day being rounded up to the next whole day.
- G) Unless otherwise notes, prices do not include labor to operate.
